Pepsi All Seasons Arena

Mandan's Pepsi All Seasons Arena, a former hockey arena, was converted into gymnasiums that meet the city's indoor recreational needs mainly for the park and school districts to utilize. The facility is owned by Mandan Park District but is on the school district's property. The park and school district have a 50/50 partnership sharing renovation costs and time in the facility. The arena has two multipurpose courts and one wood court. The multipurpose flooring has striping for volleyball, basketball, soccer and tennis. Batting cages were also installed above the west multipurpose court. The locker rooms have been updated to fit wrestling and sub varsity game needs. The goals of this renovation were to maximize the usage of the facility and provide more recreational opportunities for all ages.

Veterans Memorial Ballpark

Mandan Baseball Club, in cooperation with Mandan Park District, is fundraising to help with the much needed renovation of Mandan Veteran's Memorial Ballpark. Earlier this year, the Park Board of Commissioners approved spending \$1.25 million to address the synthetic turf as the Veterans Memorial Ballpark immediate need and the two dugouts as the secondary need, if funding allows. Mandan Parks and Recreation has donated \$1,000,000 and Mandan Baseball Club \$500,000.

Thank you to all of the local sponsors for their support and generosity.

The ballpark renovations will begin in
