## Spring/Summer Activity Guide

*Our Mission is to provide recreational opportunities for all ages and abilities, while improving the quality of life for the citizens of Mandan and its visitors.*

### RC Track

The track is now open!

The offroad track will be hosting race events in the form of league nights and race weekend events. These events will start in late spring of 2024, weather permitting. The tentative plan for league nights is to have them every other Tuesday evening from late April - September. One league night per month will be for the novice class drivers in addition to the short course truck class. The other league night in the month will be for 1/8 ebuggy 1/8 etruggy, 1/10 mini truggy, 1/8 nitro buggy 1/8 nitro truggy with these league nights alternating occurrences.

There will be one weekend race event per month for the offroad track with all of the driving classes racing. The dirt oval track will also be hosting a league night race once or twice per month from April- September. The league night has not been determined yet.
